Summary of Conclusions

A. Humanitarian Issues

Deputies will recommend to Principals that we should:

1. Reiterate our existing commitment for Close Air Support to UNPROFOR. Specifically, we should tell the French that so far as we are concerned our existing commitment would apply to UNPROFOR escorts of humanitarian convoys along agreed routes. ~~(S)~~

2. Tell Zagreb that if Bosnian Croat forces interfere with the humanitarian effort during the winter we will support sanctions on Croatia's civil air and maritime sectors and denial of its access to IFI resources. We also would warn that if Zagreb retaliates by reducing its current level of refugee/relief support we would support full-scale sanctions comparable to those imposed on Serbia. Ambassador Redman should make recommendations

about other possible leverage on all the parties to cooperate with the humanitarian effort after his discussions in Europe later this week. ~~(S)~~

3. With regard to humanitarian relief for Serbia, we should in principle be open to:

--The use of some USG funds for UNHCR purchase of food and medicine;

--20K of fuel for refugee centers;

--7K of fuel for specified institutions

--Expanded natural gas deliveries to Serbia and Bosnia in reasonable amounts;

--Further consideration of energy-for-energy swaps.

Ambassador Redman will make recommendations on how best to use these possible sanctions-exemptions, especially with a view to getting better access for winterization materials to Bosnian-held communities. ~~(S)~~

5. Be willing to participate in an airlift to Tuzla airport if UNPROFOR opens it and the airlift coalition (including the U.S.) judges it safe. Look at the provision of equipment or the possibility of providing U.S. contractor personnel if opening the airport becomes a real possibility. ~~(S)~~

* * * * *

Deputies also agreed that more work was needed on two agenda items and tasked the following two papers, both due by Friday November 19:

1. Estimate of possible need for increased air drops (State and AID). ~~(S)~~

2. Criteria and procedures for possible acceptance of civilians at MAASH Zagreb. ~~(S)~~

B. EC Negotiating Initiative

1. State will circulate for clearances a letter to EC Foreign Ministers conveying U.S. views.
