Summary of Conclusions

1. Secretary Christopher will review what we earlier have said to Belgrade about not interfering with U.S./NATO aircraft (including those participating in humanitarian air drops). ~~(S)~~
2. Ambassador Albright will ask about the UN's planning for the humanitarian effort. ~~(S)~~
3. Sarajevo exclusion zone: In light of Gorazde events, it is more important than ever that the exclusion zone be enforced. To that end:

--By COB 4/18, CIA will circulate an assessment of the effectiveness of the Sarajevo exclusion zone, including the issue of the tank menacing UNPROFOR troops on 4/14. ~~(S)~~

--Admiral Smith will inquire whether UNPROFOR is satisfied with the degree of its control over heavy weapons in the Sarajevo

exclusion zone in order to engage UNPROFOR in a discussion of how to ensure control. ~~(S)~~

--Ambassador Albright will ask the UN Secretariat for a briefing on the status of the exclusion zone. ~~(S)~~

--State will instruct USNATO to raise the issue. ~~(S)~~

4. At the United Nations, Ambassador Albright will not oppose calls for positive action that come before the Security Council but will privately suggest to the French and others as appropriate that further calls that are unlikely to be implemented only further damage the organization's credibility.

~~(S)~~

5. General Shalikashvili will review the possibility of augmenting U.S. forces in UNPROFOR Macedonia (beyond the increases being made this week) and our ability to assist them with greater power if necessary. ~~(S)~~

6. We will support the proposed increase in UNPROFOR's ceiling.

~~(S)~~

7. We will support easing restrictions on Turkish troops for UNPROFOR. ~~(S)~~

8. OSD will prepare proposals for providing more U.S. equipment to UNPROFOR troops. ~~(S)~~

9. The sanctions Working Group will prepare proposals on tightening sanctions by COB today for the President's review tomorrow. ~~(S)~~

10. The IWG will elaborate two options for PC consideration: (1) a combination of options II and III of the paper prepared for today's Principals meeting; and (2) Option III alone. Both will be completed by COB 4/18. ~~(S)~~

11. The attached points will be used for all press, Hill, and other public contacts today. In addition, Hill members and Staff will be asked what action they believe the Congress would support. ~~(S)~~
